The various, lush Saint Augustine, Florida seminar locations are chosen to be just blocks away from the fabulous historical district. Located on the northeast coast of sunny Florida, this semi-tropical beautiful city was founded in 1565 by Spanish explorers and is officially the oldest continuously occupied settlement in the United States. Its vast historic district features numerous buildings from its Spanish colonial era, elegant Mediterranean Revival style hotels from its Victorian era heyday. Saint Augustine's old world ambiance and its sweeping bay front dotted with a variety of pleasure boats on moorings draws millions of visitors to the area every year and likewise attracts a culturally diverse and widely traveled population!

The couples seminar and retreat is, therefore, designed to allow participants time to acquire life changing information and also enjoy Saint Augustine's enchantment from its magical horse drawn carriages on cobbled streets, Southern hospitality and tropical ocean breezes to its first class restaurants, museums, art galleries and shops overlooking the breathtaking Matanzas Bay.
